

# LISA R. DIXON, M.D.

University of Florida College of Medicine  
Department of Pathology, Immunology and Laboratory Medicine · Division of Anatomic Pathology  
P.O. Box 100275 · Gainesville, FL 32610-9889  
Phone 352-265-0238 · Email [dixolr@pathology.ufl.edu](mailto:dixolr@pathology.ufl.edu)

## PROFESSIONAL EXPERIENCE

---

July 2005 - Present	Clinical Assistant Professor Gastrointestinal and Liver Pathology	University of Florida Shands Healthcare Gainesville, FL
July 2004 - June 2005	Adjunct Clinical Post-Doctoral Associate, Gastrointestinal and Liver Pathology	University of Florida Shands Healthcare Gainesville, FL
July 2003 - June 2004	Chief Resident, Anatomic and Clinical Pathology	University of Tennessee Medical Center Knoxville, TN
July 2000 - June 2004	Resident, Anatomic and Clinical Pathology	University of Tennessee Medical Center Knoxville, TN
July 1999 - June 2000	Intern, Pediatrics	University of Tennessee Medical Center Knoxville, TN
1996	Summer Intern	Byrnes Geriatric Center Columbia, SC
1993	Research assistant	University of South Carolina Psychology Department Neuroscience Lab Columbia, SC
1992-1993	Research assistant	University of South Carolina Psychology Department Columbia, SC

## EDUCATION

---

1995 - 1999 <i>Doctorate of Medicine</i>	University of South Carolina School of Medicine	Columbia, SC
---	--	--------------

1994 - 1995                      Clemson University                      Clemson, SC  
*Post-baccalaureate*

1990 - 1994                      University of South Carolina                      Columbia, SC  
*Bachelor of Arts*                      Department of Psychology  
*Magna Cum Laude*

**PROFESSIONAL ACTIVITIES and LEADERSHIP**

---

2010                      Department of Pathology, Immunology and Laboratory Medicine  
Faculty Search Committee (Clinical Pathology)

2010                      Department of Pathology, Immunology and Laboratory Medicine  
Faculty Search Committee (Pathology Assistant)

2010 - Present                      Residency Program Director

2010 - Present                      World Journal of Hepatology Editorial Board Member

2009 - Present                      Department of Pathology IT Committee

2009- Present                      Residents as Teachers Committee

2008 - 2009                      Associate Residency Program Director

2008 - Present                      World Journal of Gastroenterology Editorial Board Member

2007 - Present                      The Open Transplantation Journal Editorial Board Member

2006 - Present                      Residency Training Committee

2005 - Present                      Gastrointestinal Fellowship Committee

2004                      Diplomate and Certified in Anatomic and Clinical Pathology by the  
American Board of Pathology

2003                      CAP inspector

2002 - 2004                      State representative, alternate, College of American Pathologists'  
Resident's Forum

2002                      Committee member, University of Tennessee Department of Pathology,  
Chairman Search Committee

1998 - 1999                      Advisor for Boy Scouts of America Medical Explorers

1995 - 1996                      Medical Students Association Committee Chair

1993

Public relations officer for Kappa Kappa Gamma Social Fraternity

## **PROFESSIONAL SOCIETY MEMBERSHIPS**

---

Rodger C. Haggitt Gastrointestinal Pathology Society

American Gastroenterological Association

United States and Canadian Academy of Pathology

American Society of Clinical Pathology

College of American Pathologists, Fellow

American Medical Association

## **AWARDS AND HONORS**

---

Clinical Pathology Consultant, Juvenile Diabetes Research Foundation Organ Processing and Pathology Core, September 2009

Advisory Board Member, Colorectal Cancer Screening in Florida's Underserved Population, June 2009, \$850,000

Clinical Research Committee Grant, SMA staining in Fibrosing Cholestatic Hepatitis, October 2008, \$3,000

Clinical Research Committee Grant, Autoimmune sclerosing cholangitis, October 2007, \$2,929

Clinical Research Committee Grant, Adult pancreatic Beta-cell regeneration, October 2005, \$10,002

Travel stipend award for contributions to the residency, Spring 2003, \$1,500

Advisor of the Year, Boy Scouts of America Explorers, 1999

Dr. and Mrs. George W. Dick Scholarship recipient, 1995-1996

Presidential Scholarship recipient, 1990-1994

Phi Beta Kappa Honor Society

Golden Key Honor Society

Gamma Beta Phi Honor Society

Alpha Epsilon Delta Honor Society

## PUBLICATIONS

---

### *Book chapters*

**Dixon LR**, Cabrera R. Hepatitis C and Liver Transplantation: The differentiation of recurrent hepatitis C from hepatic allograft rejection. Nova Science publishers, approximately 50 pages, accepted.

**Dixon LR**. Liver Transplantation: Rejection, Therapy and Post-Operative Complications: Fibrosing cholestatic hepatitis, Nova Publishers 2009, pp. 59-72.

### *Poster presentations*

Polyak S, Wasserfall C; Porvasnik S; Mach A; **Dixon LR**; Mah C; Conlon T. Intestinal Directed Adeno-associated Virus Expressing IL-10 Improves Enterocolitis in a Murine Model of Inflammatory Bowel Disease, Accepted for poster presentation at Digestive Disease week May 2010.

Gupte A<sup>F</sup>, Cardona D<sup>F</sup>, **Dixon LR**. Loss of RKIP expression is associated with metastasis in esophageal adenocarcinoma, Accepted for poster presentation at Digestive Disease week May 2010.

Polyak S; **Dixon LR**.; Wasserfall C; Mach A; Mah C; Kevil C; Valentine J. Mucosal Cytokine Levels Normalize Despite Continued Clinical and Histopathologic Evidence of Chronic Colitis in a Murine DSS Model of Colitis Digestive Disease Week June 2009

Jenkins CP<sup>R</sup>; **Dixon LR**. Early Hepatic Stellate Cell Activation in Fibrosing Cholestatic Hepatitis USCAP March 2008.

Campbell-Thompson M, **Dixon L**, Chen M, Monroe M<sup>R</sup>, McGuigan J, Crawford J, Atkinson M. Adult beta cell regeneration in chronic pancreatitis and Zollinger-Ellison patients. Poster presentation, American Diabetes Association's 67th Scientific Sessions in Chicago, IL on June 22-26, 2007.

### *Peer-reviewed manuscripts*

## **CURRENT ACTIVITIES**

---

- Reperfusion/preservation injury after transplantation and impact on recurrent hepatitis C
- Endoscopic biopsy methodology and effectiveness in complete polyp eradication
- Accepted into the University of Florida's Doctoral Program for Higher Education Administration, to begin Fall 2010
