

CURRICULUM VITAE

John D. Reith, M.D.

June, 2010

CURRENT POSITION

Professor, Departments of Pathology, Immunology, and Laboratory Medicine & Orthopaedics and Rehabilitation
Chief of Surgical Pathology
Director, Pathology Residency Program
Director, Unit of Bone and Soft Tissue Pathology

WORK ADDRESS

Department of Pathology, P.O. Box 100275
Shands Hospital, University of Florida College of Medicine
1600 S.W. Archer Rd.
Gainesville, FL 32610-0275
Telephone #: 352-265-0238, Fax #: 352-265-0437
Reith@pathology.ufl.edu

EDUCATION

9/87-5/91	Doctor of Medicine Northeastern Ohio Universities College of Medicine Rootstown, OH
6/85-8/87	Bachelor of Science (Integrated Life Sciences) Kent State University Kent, OH

POSTGRADUATE EDUCATION

7/96-6/97	Fellow in Orthopaedic Pathology Montefiore Medical Center, Albert Einstein College of Medicine Bronx, New York Director: Howard D. Dorfman, M.D.
7/95-6/96	Fellow in Surgical Pathology University of Michigan Hospitals Ann Arbor, Michigan Director: Joel K. Greenson, M.D. Service Chief: Sharon W. Weiss, M.D.
7/91-6/95	Resident in Anatomic and Clinical Pathology Division of Pathology and Laboratory Medicine Cleveland Clinic Foundation Cleveland, Ohio

ACADEMIC APPOINTMENTS

1. Professor (non-tenure-accruing), Departments of Pathology, Immunology, and Laboratory Medicine and Orthopaedics and Rehabilitation, University of Florida College of Medicine, 2010-present.
2. Associate Professor, Departments of Pathology, Immunology, and Laboratory Medicine and Orthopaedics and Rehabilitation, University of Florida College of Medicine, 2005-present.
3. Assistant Professor, Departments of Pathology, Immunology, and Laboratory Medicine and Orthopaedics and Rehabilitation, University of Florida College of Medicine, 1998-2005.
4. Director, Department of Pathology Residency Training Program, 7/04-6/10.
5. Chief of Surgical Pathology, Department of Pathology, Immunology, and Laboratory Medicine, 11/08-present.
6. Director, Unit of Bone and Soft Tissue Pathology, Department of Pathology, University of Florida College of Medicine, 6/00-present. Co-director, Unit of Bone and Soft Tissue Pathology, Department of Pathology, University of Florida College of Medicine, 7/98-6/00.
7. Assistant Professor of Pathology, University of Miami School of Medicine, 1997-1998.
8. Instructor, Ohio College of Podiatric Medicine, 1994-1995
9. Instructor, College of Medical Technology, Cleveland Clinic Foundation, 1994

HOSPITAL APPOINTMENTS

1. Attending Pathologist, Shands at the University of Florida, Gainesville, Florida, 7/1998-present.
2. Consultant, Malcom Randall VA Medical Center, Gainesville, Florida, 7/00-present.
3. Attending Pathologist, Department of Pathology, Jackson Memorial Medical Center, Miami, Florida, 1997-1998.

ACCREDITATION

- Diplomat, National Board of Medical Examiners, 1992
- Diplomat, American Board of Pathology, Anatomic and Clinical Pathology, 1996

LICENSURE

- State of Michigan Physician License (#4301066303), 1996-1997
- State of Florida Medical License (ME-0073094), 5/97-present

SOCIETY MEMBERSHIPS

1. American Society of Clinical Pathologists
2. College of American Pathologists
3. United States and Canadian Academy of Pathologists
4. Connective Tissue Oncology Society
5. Musculoskeletal Tumor Society
6. International Society of Bone and Soft Tissue Pathology (Founding Member, 2001, Officer At-Large 2007-2009, 2009-2011)
7. Florida Society of Pathologists
8. Society for Pediatric Pathology

COMMITTEES

Department of Pathology:

1. Department of Pathology Residency Training Committee, 2/01-present.
2. Clinical Research Committee, Department of Pathology, 7/05-present.
3. Department of Pathology Administrative Management Committee, 2/05-present.
4. Search Committee, Anatomic Pathology Faculty position, 2000.
5. Search Committee, Dermatopathology faculty position, 2005, 2006.
6. Search Committee, Pediatric Pathology faculty position, 2005-2006.
7. Search Committee, Molecular Pathology faculty position, 2006.
8. Search Committee, Surgical Pathology faculty position(s), 2008, 2009, 2010.
9. Department of Pathology Curriculum Committee, 2009-present.
10. Search Committee, Pathologist Assistant faculty position, 2010.

Shands Hospital:

1. Shands at the University of Florida Cancer Committee, 7/00-7/07.
2. Shands at the University of Florida Surgical Case Review Committee, 7/00-present.

3. Advisor, Protocol Review and Resource Utilization Committee, 3/02-2006.

University of Florida College of Medicine:

1. Medical Admissions Committee, University of Florida College of Medicine, 8/02-8/08.
2. Graduate Medical Education Committee, University of Florida College of Medicine, 7/04-6/10.
3. Faculty Council representative, University of Florida College of Medicine, 7/07-present.
4. Search committee, Department of Pathology Chair position, 11/09-present.

National:

1. Consultant, American Academy of Orthopaedic Surgeons Subcommittee on Musculoskeletal Tumors and Disease Evaluation, 2000-present.
2. Extramural grant reviewer, Merit Review Subcommittee for Oncology, Department of Veterans Affairs, December, 2008.
3. State of Florida delegate to College of American Pathologists, 2009-2011.

TEACHING ACTIVITIES

1. Semi-annual University of Florida Seminar in Musculoskeletal Pathology, 1997-present.
2. Director, Pathology Resident Bone and Soft Tissue Pathology rotation, Shands at the University of Florida, 2000-present.
3. Director, Musculoskeletal Pathology section, Systemic Pathology Course (University of Florida, College of Medicine BMS 5600), 2001-present.
4. "Soft Tissue Tumors", Osler Review Course, Tampa, Florida, May, 1999-2001.
5. "Endocrine Pathology", Systemic Pathology Course (University of Florida, College of Medicine BMS 5600), 1999.
6. Group coordinator, "Ewing's Sarcoma" case presentation, Systemic Pathology Course (University of Florida, College of Medicine BMS 5600), 1999-2001.
7. Small group leader, "Epidemiology of prostate cancer", as part of "Prostate cancer" case presentation, Systemic Pathology Course (University of Florida, College of Medicine BMS 5600), 1998.

EDITORIAL BOARDS

1. Academic Section Editor, Bone and Soft Tissue Pathology, *Archives of Pathology and Laboratory Medicine*, 3/2005-present.
2. Ad hoc reviewer, *Journal of Bone and Joint Surgery*, 2003-present.
3. Ad hoc reviewer, *Clin Orthop*, 2004-present.
4. Ad hoc reviewer, Doody's Review Service (on-line). Available: <http://www.doody.com>
5. Ad hoc reviewer, BioMed Central (on-line), 2006.
6. Expert Analyst, Editorial Board, *Orthopaedics Quarterly*, April, 2001-present.
7. CAP Abstract Committee, 2006-present.
8. Ad hoc reviewer, *Cancer Genetics and Cytogenetics*, 2009.

INVITED LECTURES

1. South Florida Society of Pathologists, Slide Seminar, "Selected Cases in Bone and Soft Tissue Pathology", November, 1997.
2. H. Dorfman and J. Reith, "Bone forming lesions" and "Cartilaginous tumors and tumor-like lesions," The 23rd Annual Review and Recent Practical Advances in Pathology, University of Miami, January, 1998.
3. Seminar in Musculoskeletal Pathology, Beijing, China, June 20-22, 2000 (with William F. Enneking and Mark T. Scarborough).
4. "Lipomatous neoplasms: A practical approach to common problems and unusual entities." American College of Osteopathic Pathologists Annual Convention and Scientific Seminar, Orlando, Florida, October, 2000.
5. "Lipomatous neoplasms: A practical approach to common problems and unusual entities." University of South Florida Department of Pathology Grand Rounds/Visiting Professor, January, 2001.
6. "Problematic Differential Diagnoses in Cartilage Tumor Pathology." University of South Florida Department of Pathology Grand Rounds/Visiting Professor, June, 2005.
7. "Update on Cartilage Tumors." Ohio Society of Pathologists Fall meeting, Columbus, Ohio, October, 2006.
8. "Problems in Cartilage Tumor Pathology." Florida Society of Pathologists Winter meeting, Orlando, Florida, February, 2007.

9. Seminar in Musculoskeletal Pathology, Brasilia, Brazil, February 20-24, 2007 (with William F. Enneking and Mark T. Scarborough).
10. "Something Old, Something New, and CAP Protocols that Make Me Blue." Guest Speaker, Department of Pathology and Cell Biology, University of South Florida Resident Research Day, June, 2007.
11. "Frozen Sections for Musculoskeletal Lesions: What Scares the Pathologist." ASCP teleconference, April, 2008.
12. "Gorham's Disease and Related Lesions of Bone and Soft Tissue." 1st Advances in Rare Bone Diseases Conference, National Institutes of Health, October, 2008.
13. "CAP Protocols for the Reporting of Malignant Bone and Soft Tissue Tumors." Department of Pathology Grand Rounds, University of Nebraska College of Medicine, April, 2009.

AWARDS

University of Florida Pathology Resident Educator of the Year, 2001-2002.
Exemplary Teacher Award, University of Florida College of Medicine, 2004-2005.

CLINICAL RESEARCH AWARD

\$1600.00, "Metastasis and angiogenesis in a canine osteosarcoma mouse model." In collaboration with James P. Farese DVM, College of Veterinary Medicine.

SCIENTIFIC PRESENTATIONS (NO PUBLISHED ABSTRACT)

1. **J. Reith**, R. Novak, M. Platt, H. Robinson, B. Shehata, "The Molecular Pathology of Osteogenesis Imperfecta Type II: A Case Study." Northeastern Ohio Universities College of Medicine Summer Fellowship poster session, August, 1988.
2. **J. Reith**, L. Verghese, H. Robinson, "Contiguous Gene Syndromes: Beckwith-Wiedemann and Prader-Willi." Northeastern Ohio Universities College of Medicine Summer Fellowship poster session, August, 1989.
3. **J. Reith** and T. Bauer, "Osteogenesis Imperfecta." Division of Pathology and Laboratory Medicine Grand Rounds, Cleveland Clinic Foundation, April, 1992.
4. **J. Reith** and C. Biscotti, "Pulmonary Capillary Hemangiomatosis." Division of Pathology and Laboratory Medicine Grand Rounds, Cleveland Clinic Foundation, March, 1993.
5. **J. Reith**, "Gastrointestinal Infections in AIDS." Cleveland Clinic Foundation Department of Microbiology Continuing Medical Education Lecture Series, March, 1993.
6. **J. Reith** and T. Bauer, "Solid State Carcinogenesis." Division of Pathology and Laboratory Medicine Grand Rounds, Cleveland Clinic Foundation, February, 1994.

7. **J. Reith** and T. Bauer, "The SAPHO Syndrome." Division of Pathology and Laboratory Medicine Grand Rounds, Cleveland Clinic Foundation, January, 1995.
8. J. Schils, M. Recht, D. Piraino, B. Richmond, J. Getz, B. Singesen, **J. Reith**, "SAPHO Syndrome: A Review of 15 Patients." Presented at Canadian Association of Radiologists Meeting, 1996.
9. W. Virkus, A. Mollabashy, **J. Reith**, B.H. Berrey, R. Zlotecki, M. Scarborough. Preoperative radiation therapy in the treatment of soft tissue sarcoma: The preliminary University of Florida experience. Presented at Musculoskeletal Tumor Society Meeting, Gainesville, Florida, May, 2000.
10. R. Leggon, B.H. Berrey, R. Zlotecki, **J. Reith**, D. Wood, R. Vlasak, M. Scarborough. Giant cell tumor of the pelvis and sacrum: Review of seventeen cases and meta-analysis. Presented at Musculoskeletal Tumor Society Meeting, Gainesville, Florida, May, 2000.
11. C. Bush, **J. Reith**, S. Spanier. Mineralization in primary leiomyosarcoma of bone. Presented at Society of Skeletal Radiology meeting, February, 2000.
12. **J. Reith**, J. Casanova, B.H. Berrey, W. Enneking, M.B. Horodyski, M. Scarborough. Molecular predictors of outcome in patients with osteosarcoma. Presented at Connective Tissue Oncology Society Meeting, Amsterdam, The Netherlands, November, 2000.
13. J. Casanova, **J. Reith**, B.H. Berrey, W. Enneking, M.B. Horodyski, M. Scarborough. Host immune response in osteosarcoma. Presented at Connective Tissue Oncology Society Meeting, Amsterdam, The Netherlands, November, 2000.
14. R. Leggon, B.H. Berrey, R. Zlotecki, **J. Reith**, D. Wood, R. Vlasak, M.T. Scarborough. Giant cell tumor of the pelvis and sacrum: Review of seventeen cases and meta-analysis. Presented at Connective Tissue Oncology Society Meeting, Amsterdam, The Netherlands, November, 2000.
15. W. Virkus, A. Mollabashy, **J. Reith**, B.H. Berrey, R. Zlotecki, M. Scarborough. Preoperative radiation therapy in the treatment of soft tissue sarcomas. Presented at Connective Tissue Oncology Meeting, Amsterdam, The Netherlands, November, 2000.
16. S. Zaidi, J. Santiago, **J. Reith**, J. Messina, A. Hassanein. Almost complete absence of Melan-A (MART-1) expression in neurogenic neoplasia common to the skin. Presented at International Society of Dermatopathology, Washington, D.C., February, 2001.
17. **J. Reith**, M. Scarborough, M.B. Horodyski. Grade 2 chondrosarcoma: Stage I or stage II tumor? Presented at Musculoskeletal Tumor Society meeting, Toronto, Canada, April, 2002.

18. A. Neelakantan, B. Ginsberg, D. Mills, **J. Reith**, A. Lessner. A Rare Case of Inflammatory Myofibroblastic Tumor in the Orbit. Presented at the American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS) Meeting, New Orleans, October 2004.
19. S. Pertzborn, A. Mancuso, **J. Reith**, P. Antonelli. The Changing Spectrum of Intratemporal Facial Nerve Tumors. Presented at the American Academy of Otolaryngology Meeting, September, 2005.
20. G. Domson, A. Shahlaee, **J. Reith**, C. Gibbs. Malignant Fibrous Histiocytoma Associated with Bone Infarct. Presented at the Connective Tissue Oncology Society Meeting, Venice, Italy, November, 2006.
21. I. Bhattacharyya, N. Islam, H. Chhatwal, J. Ojha, **J. Reith**, D. Cohen. Unusual Histologic and Clinical Variants of Traumatic Bone Cysts (TBC). Presented at the Annual Meeting of the American Academy of Oral and Maxillofacial Pathology, Kansas City, Missouri, May, 2007.
22. J. Casanova, **J. Reith**, M. Scarborough, W. Enneking. Inflammatory host-immune response in osteosarcomas. Presented at 20th Annual Meeting of the EMSOS, Porto, Portugal, May, 2007.
23. A. Gohari, **J. Reith**, M. Scarborough, N. Khuddus, R. Ratnakaram, A. Shahlaee. A case report of multifocal juvenile xanthogranuloma presenting as bilateral vitreous hemorrhages in a neonate. Presented at the 23rd Annual Meeting of the Histiocyte Society, Cambridge, United Kingdom, September, 2007.
